## Work experience

- 2017–  
Present
- Transloadit**  
Product Designer · Part-time
- Significantly contributed to the core product, including redesigning the user dashboard and creating a new onboarding process that doubled key performance metrics.
- 2019
- Work.ua**  
Product Designer
- Gained valuable experience at Ukraine's #1 job website, but found that a full-time, strictly scheduled role didn't fit my preferred work style.
- 2014–  
Present
- Freelance Designer**
- Worked with popular Ukrainian clients like NIC.UA, Poster POS, and Djinni.co, delivering multidisciplinary design solutions. Balanced client work with personal and volunteer projects.
- 2011–2013
- Psyho**  
Designer
- Contributed to projects at one of Ukraine's leading design studios.
- 2009–2010
- WaysGo**  
Product Designer
- 2008–2009
- 908**  
Designer & HTML/CSS Developer
- 2007–2008
- Key Solutions**  
HTML/CSS Developer
